

Harken-Reidar, Inc. focuses our programs on Engineering, Surveying, Land Use, Planning, Construction and Mining. We offer education programs that improve performance in productivity and accountability in these industries. We provide education in the theory and mathematics being used within the profession and instruct attendees in how to perform related CADD computations and quality control techniques as they perform their daily duties in design and drafting. The courses approved for Florida CEU's are:

Name of Course	PDH/CEU
AutoCAD	24/2.4
AutoCAD 3D Modeling	16/1.6
AutoCAD MAP 3D	16/1.6
MicroStation	24/2.4
MicroStation 3D Modeling	16/1.6
From College to Corporate	16/1.6
Carlson Fundamentals	16/1.6
Carlson Takeoff	24/2.4
Carlson Civil	16/1.6
Machine Control Training for Site Data Prep	24/2.4
Civil 3D Training	24/2.4
Civil 3D Style Configurations	40/4.0
Carlson Survey	16/1.6
Carlson SurvCE & Field Training	16/1.6
GEOPAK Fundamentals	24/2.4
GEOPAK or Civil 3D Roadway Design	32/3.2
GEOPAK or Civil 3D Site Design	24/2.4
GEOPAK Drainage	24/2.4
GEOPAK Survey	16/1.6
SiteOps Site Optimization	24/2.4
ESRI GIS Training	24/2.4
Bentley MAP	24/2.4
MicroStation for AutoCAD Users	24/2.4
